Parent Coffee Morning—Supporting Learning Videos

This week's video gives you further details about the **Phonics Screening Check** that children in Year 1 and Year 2 will take this year.

Harvest Festival

We were amazed at the amount of donations again this year. In a time when many are struggling, we were overwhelmed with your generosity of goods. These are being collected by a local food bank tomorrow and they are extremely appreciative of your donations.

Thank you so much

In case you haven't seen the links on Seasaw, here are the links to the children's harvest festival performances.

Peer Mentors

We were overwhelmed with applications for the roles of peer mentors, making it very difficult to narrow it down. However, after thoroughly reading applications and after long discussions we selected the following children to be trained this year as a peer mentor. If you weren't selected this year, you can keep demonstrating the excellent caring natures that you have and then put yourselves forward for the role again next year.

The Peer mentors role will be to support other children at playtimes to resolve any conflicts, support any children who are feeling lonely at playtimes and model behaviour when outside playing for each of the different KS2 phase bubbles.

Congratulations to:

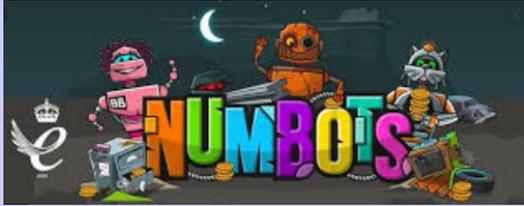

Yr 4— Lucinda H, Zachary E, Joe M, Lyla S, Iris P, Isabella M, Karenza D, Ethan A, Stanley B, Maxwell S.

Yr 5/6—Emily H, Keira-Mae B, Noorhanfa K, Ruby W, Imogen M, Libby V, Leo N, Amelia H, Sumaiyah K, Kruthi V.
