Playtime Equipment

Although FOBS have not been able to run many fundraising events so far this, they have continued to support the school with previous funds raised. FOBS very kindly agreed to spend some money on playground equipment for each of the bubbles. The children voted in their classes and put forward ideas of items they would like to play with at playtimes. This wish list was given to FOBS who made the decision to provide everything on the list! **A massive thank you to the FOBS team and to all of our parents / community who have supported FOBS events in the past to allow them to raise money for the school.** The children have been thoroughly enjoying playing with the new equipment at playtimes and below are just a few examples of some of the equipment provided.

Thank you

Future Dates in November:

- **Before 4th December**—Any donations for Senior Citizen Hampers would be gratefully received. Thank you to those who have already sent some items in to school.

Birthday Parties

As today is the last Friday of November, we held our first Birthday party in classes to celebrate children who have had their birthdays in September, October and November. Again, a massive thank you to FOBS who kindly volunteered to supply the birthday hats for the Birthday children and also sweets for prizes to games. The children have thoroughly enjoyed playing musical statues, musical bumps, musical chairs, generally having a dance to their favourite songs, singing and one class even ended with a games of sleeping lions!

Happy Birthday to all those children who have had their birthdays over the last three months! Here are just a couple of pictures from the parties.

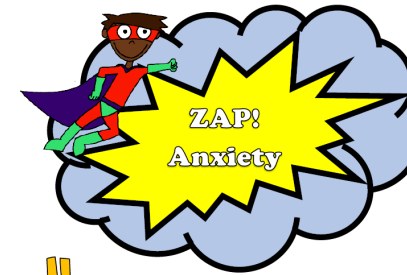

Weekly Notices

Date: 27th November 2020

Although it is grey outside, it is meant to remain dry over the weekend. This week, we thought you could go for a walk and look for different textures in nature. When you find an interesting texture you could either collect it in your bag to take home or complete a coloured rubbing there and then. Once you have collected a range of coloured rubbings maybe you could make it into a creative picture. We look forward to seeing your creations via Seasaw.

In your bags this week you will find a little treat to help you with your creative nature rubbings.

This week, our ELSA (Miss Brooks) would like to share with you a poster about anxiety. The news of further restrictions and the current lockdown has raised anxiety among many children as well as adults. So some things to remember if you are feeling anxious:

If you follow these 5 rules you will be happier and healthier in your body and your mind
Remember to be HAPPY!

Help others

Help someone every single day. Open a door for them, help your mum cook tea, set the table, help your friends, help your teacher.

Active each day

Make sure you do some exercise or sport every single day.

Present moment

Notice things around you every single day. What is happening right now? Enjoy every moment. Be thankful for everything that you have.

People connections

Connect with your family and your friends every single day. Spend time with them doing things you enjoy.

Yearn to learn

Look at all the things you CAN do and all the things waiting to be learnt. Learn something new every single day. You can learn anything if you try.
